The FDEP & the SWFRPC invite you to the Annual SW FL
Regional Brownfields Symposium
From Blight to Right Brownfields
Transformation Site Cleanup & Closure

» Evening Pre-Symposium Event

Networking event & Keynote Speakers
City of Sarasota Mayor Willie Shaw will officially open the Symposium. Ed Johnson, Manager of the East Tampa Community Redevelopment Area will present a program on the success of the East Tampa Community Redevelopment Area. Followed by Joe Ullo, Director of the DEP's Division of Waste Management, who will discuss the Waste Cleanup program.

» Full Day Educational Program

Starting with Registration at 8:00 a.m.
2016 Fl Legislative Update to the Brownfield Site Cleanup process. Presentations also include successful clean up and closure cases from throughout SWFL; how to navigate a successful Public Involvement Process; and much more.

» Mayors Focused Round Table

Designed to provide interested mayors, or their designees, an exclusive discussion with agencies to identify available funding sources and brownfields tools. *The discussion will be centered around the community's vision for smart growth and how the Brownfield Redevelopment Program can jump-start that vision*. The DEP, the Florida Brownfield Association, EPA and SWFRPC will participate in the Round Table discussion, which will be moderated by Jon Iglehart, DEP's Director of the South District Regulatory Office.
