

Living Wall Imagery

St. Armand's Circle Parking Study
Sarasota, Florida | USA

1. Movable Hedge
Allows for screening components to be moved and rearranged for access or events

2. Formal Living Wall at Garage
Higher maintenance with clean cut look.

3. Refuse Screening
Hide refuse areas from pedestrian views.

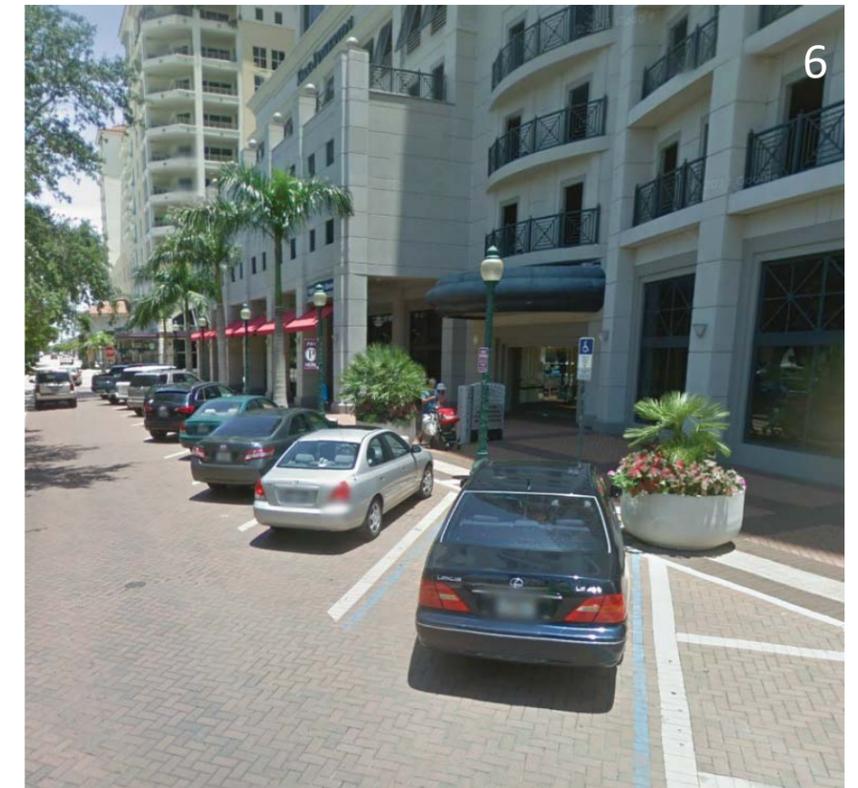

4. Natural Living Wall at Garage
Low maintenance with natural appeal.

5. Back of House Screening
Provide screening of back of house areas and visually break up large expanses of pavement.

6. Variety in Plant Material
Promotes a healthy living wall with desirable aesthetics.
