ARTICLE #9
HOURS OF WORK AND OVERTIME

Section 1. Assignment of Work Schedule. The City of Sarasota shall, in its sole discretion, schedule the work hours, work days and work weeks of employees in the bargaining unit. Nothing in this Agreement shall be construed as a guarantee or limitation of the number of hours to be worked per day or per week. The City has the sole discretion to schedule and/or assign hours of work, either less or more than the normal work day/period. Unless otherwise directed by the City, the work period is designated in accordance with the exemption authorized under the Fair Labor Standards Act and as defined in Article 2 of this Agreement. The duty schedule shall be as defined in Section 4 of this Article.

Section 2. Overtime Assignment. In an attempt to ensure a reasonable balance, distribution of overtime will be reviewed at least quarterly to monitor even overtime distribution equity. Imbalances will be defined as those employees that have greater than a 15% difference of scheduled overtime hours than the person with the highest number of hours.

Section 3. Overtime Rate of Pay for Eligible Members of the Teamsters Local #173. (Excluding exempt employees of the bargaining unit.) All time worked in excess of forty (40) hours in a given work period, by eligible members of the Teamsters Local #173, for the seven (7) consecutive day work period shall be paid at one and a half (1 1/2) times the regular hourly rate of pay. Should that occur, the employee(s) would have the time worked (up to one and one-half hours) prior to the start of the scheduled shift and that time would be added to their regular day of work for that specific day or days. In addition, if an employee is retained on his regular shift for any extended duty then that individual will receive straight time until he is eligible for normal overtime requirements.

Employees who are in court for only part of their normal work day shall report for work when excused or released by the court.

Court leave shall be charged as authorized leave of absence with pay and notification shall be made (on the authorized form) by the Department Head through the Director of Human Resources.

Section 9. Policy on Tardiness. Increments of 0.1 (one tenth) of an hour will be used to measure tardiness and docking of pay for payroll purposes as listed below. 2. A **“Grievance”** is a written allegation by the Aggrieved that he has been adversely affected by a misinterpretation or misapplication of a specific written term(s) of this Collective Bargaining Agreement occurring after the effective date and before the termination of the Agreement. A **“Grievant”** is an employee or union representative who has filed a written Grievance.
3. A **“Business Day”** is considered Monday through Friday, excluding Holidays, from 8 a.m. to 5 p.m.
4. References to **“Department Director,” “Human Resources Director”** or **“Charter Official”** include their designees when the Director or Charter Official has assigned a designee to act on his or her behalf. Notwithstanding this, a designee of a Charter Official cannot be the Department Director of the Grievant.

B. Exclusions:

The following acts are **excluded** from consideration under the Grievance and Arbitration Procedure:

sexual harassment (see Rule 2.18 of the City’s Personnel Rules and Regulations); **discrimination** (see Rule 2.19 of the City’s Personnel Rules and

C. Requirements for Initiating a Grievance:

Any Grievance presented by an Aggrieved pursuant to Article 13 must contain the following information on the Grievance and Arbitration Form included herein:

1. A statement of the problem or situation that led to the filing of the Grievance, including date of occurrence, details, and facts upon which the Grievance is based.
2. The Article and Section of the Agreement alleged to have been breached.
3. How the Aggrieved believes the Article and Section was breached so as to adversely affect him.
4. The action, remedy or solution requested by the Aggrieved.
5. Signature of employee(s) or union representative.
6. Date Grievance submitted to Department Director.

7. No Grievance under this procedure may be processed without the signature of an employee directly affected by the breach of the collective bargaining agreement, or the signature of the Teamster Local #173 representative, if the union is acting as the aggrieved party.

D. General Requirements:

1. All contract disputes involving the interpretation and application of this agreement must be decided through the Grievance and Arbitration procedure set forth herein unless otherwise prescribed by law. The commencing of legal proceedings against the City in a court of law or equity, or before the Public Employee Relations Commission, or any other administrative agency, by an employee or employees for an alleged violation or violations of the express terms of this Agreement shall be deemed a waiver by said employee or employees of their right to resort to the Grievance and Arbitration Procedure contained in this Agreement for resolution of the alleged violation or violations of the express terms of this Agreement.
2. The exercise of Management Rights by the City shall not be considered arbitrable under this Grievance and Arbitration procedure. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of this collective bargaining agreement.
3. Grievances submitted under this procedure which do not contain the information described in Section 1C (1-7) above shall be considered insufficient and shall be declared null and void. Refer to Section 2B (Step 1) for timelines for resubmitting the grievance.

4. The time limits contained herein are absolute. The failure of the Aggrieved to timely file a Grievance or to timely appeal the Grievance to subsequent Steps constitutes a waiver of the right to bring the Grievance. Questions or disputes regarding compliance with the time limits set forth in this Article are not arbitrable. Arbitration is available only to those who have timely proceeded through each of the Steps set forth in Section 2(B) herein. Notwithstanding the above, in any Step in the Grievance and Arbitration Procedure, the time limits may be extended upon mutual agreement of both parties. Should there be no response by the City during the prescribed time limits, that Step in the Grievance shall be deemed denied and the employee may move on to the next step in the process.

5. Employees shall follow all written and verbal directives of supervisors, unless said directives pose a safety hazard, even if such directives are allegedly in conflict with the provisions of this Agreement. Compliance with such directives will not in any way prejudice the employee's right to file a Grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the Grievance. No employee or group of employees may refuse to follow directions pending the outcome of a Grievance.

6. The Aggrieved may present his Grievance at the Informal and Formal Resolution steps on City time. Except as herein provided, the investigation and preparation of grievances by the employee may not be conducted during working hours without authorization or prior approval from Department Director or designee and cannot interfere with the employee's work duties and hours.

Section 2: Informal and Formal Resolution Procedure:

A. Informal Resolution:

1. If an employee (or group of employees) perceives that a contractual issue has arisen, the employee(s) shall request a meeting with his supervisor in an attempt to resolve the matter informally. The employee(s) shall also notify the union and the Human Resources Director of the potential contractual issue. The purpose of such notification is to alert those parties who can intervene before the issue rises to the level of a Grievance.
2. A member or members of the bargaining unit, acting on their own behalf or through counsel, may use the Informal Resolution Procedure without the intervention of The Teamsters Local #173 provided that:
 - (a) The resolution of the matter is not inconsistent with the terms of this Agreement; and
 - (b) The Teamsters Local #173 has been given reasonable opportunity to attend the meeting, present information, and be heard on the matter.
3. An Aggrieved is required to use the Informal Resolution process before filing a formal Grievance.

B. Formal Resolution:

Step 1: Submission of Grievance:

If the contractual issue is not resolved informally, the Aggrieved shall submit a completed Grievance and Arbitration Form to the Department Director. This form must be submitted no later than ten (10) Business Days after the problem or situation first occurred, or when the aggrieved should have had knowledge thereof, as determined by the Human Resources Director. Said request shall identify the article and/or section of the contract that has allegedly been breached and how the Aggrieved was adversely affected. The Grievance must be clearly stated and provide the detail specified in Section 1.C of Article 13. If a Grievance is rejected because it is incomplete, the Aggrieved may receive an additional five (5) Business Days to resubmit the Grievance.

Step 2: Department Director Response:

Within ten (10) Business Days of receipt of the Grievance form, the Department Director shall schedule a meeting with the Aggrieved and his union representative and/or counsel. Within ten (10) Business Days after the meeting, the Department Director shall give the Aggrieved a written response. The Department Director's response shall clearly state his decision or proposed resolution with reasons for the determination. The Department Director shall send copies to the Human Resources Director and to the Teamster Local #173.

Step 3: Appeal to the City Manager/City Auditor and Clerk:

If the Grievant is not satisfied with Department Director's decision, he may request an appeal of the decision to the City Manager or City Auditor and Clerk for their respective employees. Said request shall be made to the Director of Human Resources no later than ten (10) Business Days after the receipt of the written response from the Department Director or, in the absence of a written response, from the date a response was due. After receiving the request for an appeal, the City Manager or City Auditor and Clerk shall schedule an informal hearing with the Aggrieved and his counsel and/or union representative, which may also include the Department Director and the Director of Human Resources. The parties shall make a good faith effort to schedule the hearing within 30 calendar days of the request. The City Manager or City Auditor and Clerk shall submit a written response within fifteen (15) Business Days of the hearing.

Step 4: Arbitration Procedure:

1. If the Grievant is not satisfied with the disposition of the Grievance in Step Three, or in the absence of a written response, he may submit the dispute to the American Arbitration Association (AAA) pursuant to the Voluntary Labor Arbitration rules for a binding decision. Any request for binding arbitration must be made by the Grievant within thirty (30) Business Days of the decision in Step Three or from the final date a response was due in the absence of a written response. A copy of the request for Arbitration must be sent to the City Manager or City Auditor and Clerk with a copy to the Director of Human Resources and the City Attorney's Office.

2. The arbitrator shall have no power to add to, subtract from, modify or alter the terms of this Agreement, and shall confine his decision solely to the interpretation or application of this Agreement. The arbitrator shall not have the power to arbitrate any matter excluded from arbitration.
3. Any relief granted requiring the expenditure of City funds which is not in accordance with Florida Statutes shall be void. Any relief granted shall not be deemed to establish past practices, custom, precedent, or usage as to any other circumstances or occurrences without the express approval of the City Manager. The arbitrator is not empowered to render any award which imposes fines or penalties upon the City.
4. In the event that the arbitration of the Grievance under this procedure arises out of the discharge of an employee, the arbitrator is empowered to either sustain the discharge or to reinstate the employee, with or without back pay, in whole or in part, as the circumstances warrant. Any award of back pay shall be reduced by any unemployment compensation the grievant(s) may have received, and shall also be reduced by interim earnings of a discharged employee from any other source earned from a replacement job or jobs.
5. Should either party request a transcript of the arbitration proceedings, then that party will bear the full costs for that transcript.
6. Each party shall bear the full cost for its representation in the arbitration and the compensation of its participants. Each party shall be responsible for the compensation of its witnesses, including employees. The cost of the arbitrator and the AAA will be divided equally between the parties. Employees within the bargaining unit are not paid by the City for testifying on behalf of a bargaining unit member, or for serving as a witness for the Teamsters Local #173 or the Aggrieved.

5. List other persons who were directly involved or have knowledge of the problem or situation:

Department management will notify the Human Resources department and union steward when an employee's work habits and/or quantity/quality of work have been determined to be below standards. The purpose of such notification is to alert those parties who can intervene with the employee before the issue rises to the level of potential disciplinary action.

B. Minor Discipline:

If previous counseling was offered and fails to correct the deficiency or the employee commits an offense requiring investigation and adjudication, the City will notify the union of such event. Department management may issue disciplinary action such as instruction and cautioning or a written reprimand. In this circumstance, no pre-determination letter will be issued.

C. Pre-Determination Hearing: (Only for issues involving potential suspension, demotion, or dismissal)

If management is considering a suspension, demotion or dismissal, department management shall issue a pre-determination letter outlining alleged disciplinary violations and indicating when the pre-determination hearing will be held. Copies of the letter shall be sent to the Teamster Local #173 and the Human Resources Department.

The pre-determination hearing shall include the Department Director or designee, a Human Resources representative, the employee, and the employee's counsel and/or union representative. The employee shall have the opportunity to respond to the alleged violation(s) and present information in support of his position. Questions may be asked by either party.

Within ten (10) business days after the pre-determination hearing, a determination will be made and communicated in writing to the employee. The determination letter will state the rule(s) violated, if discipline is to be applied and the extent of the discipline. A copy of the determination letter and supporting documentation shall be sent electronically to Teamster Local #173 and sent to Human Resources.

E. Discipline Applied:

The discipline as outlined in the determination letter will be applied. The determination letter and supporting documentation shall be filed in employee's personnel file.

Step Plan Methodology Guidelines

1. Slotting into the step plan will be based on the employees' in-classification service date as of 10/01/2016:
 - For career ladder promotions, the City will slot individuals into the wage schedule using the same methodology as the promotion guidelines outlined in item 3 below.
2. Future step increases will occur at the beginning of the pay period in which the employee's anniversary falls.
3. Promotional increases will follow this formula for employees who are not at their market rate – Number of grades promoted minus one = the number of step interval(s) lower on the new wage schedule – For example:
 - One grade promotion – employee stays at the same step interval on the higher grade
 - Two grade promotion – employee moves to the new grade one step interval lower than their current grade
 - Three grade promotion – employee moves to the new grade two step intervals lower than their current grade
 - Four grade promotion – employee moves to the new grade three step intervals lower than their current grade
 - In no case will the employee be paid less than the minimum in the new grade.

- Promotional increases will be no less than 3% when the employee is not currently at their market rate.
4. Eligibility for the step increases will follow the same methodology in existence for receiving the current general wage increases – Employees must meet no less than the minimal performance standards (3.0) in their most recent performance evaluation. Failure to do so will result in the increase being delayed until the standards are met. No retroactivity will be provided should this occur.

On-Call Pay for Non-Exempt Employees:

To provide coverage for services during off-duty hours, it may be necessary to assign and schedule employees to be on-call. On-call requires an employee to be available for work due to an urgent situation occurring on his off-duty time. Employees shall be required to be on-call when assigned.

1. On-call employees must always be reachable by a pre-determined means of communication, and able to arrive at the work location within the time established by the department director or designee. As employees are compensated for being on-call, they must refrain from drinking, taking medications or engaging in any other activity which would prevent being ready for duty.
2. On-call assignments shall be distributed equitably on a rotational basis to the extent practicable among qualified employees, consistent with operational needs. Employees will be required to accept on-call status in order to maintain effective service to the City.
3. Employees assigned to be on-call shall be paid \$150 for each calendar week. On-call pay shall accrue to the pay period in which the calendar week ends.
4. Employees on sick leave, annual leave or another type of authorized absence from duty shall be ineligible to be on-call unless otherwise approved by management.
5. On-call time shall not count as hours worked for the purpose of computing overtime.

6. On-call pay shall be included in the calculation of the base rate for overtime compensation.
7. An employee who is called to work when on-call will be paid for the actual time worked with a minimum guarantee of two (2) hours pay for each call-in. Subsequent calls while on the first two (2) hour minimum shall not be eligible for an additional two (2) hour minimum, and the employee shall be paid for the actual time worked beyond the first minimum. Pay for call-in will be considered ordered extra duty according to personnel rule 8.11.
8. In the event an employee who is on-call fails to respond to a call to work, he shall forfeit on-call pay and may be subject to disciplinary action, up to and including termination.
9. An employee who is off-duty and not on-call and called back to work shall be compensated according to personnel rule 8.11 for ordered extra duty.
10. Call outs will not be eligible for shift differential.
11. Exempt employees are not eligible for on-call pay.
12. Under emergency conditions, the number of persons called in and the specific individuals called shall be at the discretion of the supervisor.
13. This written policy and procedure does not change in any way the City's right to assign on-call status to management/ supervisory personnel whenever it deems necessary.
14. Employees assigned on-call status are not eligible for call back pay.

15. Employees designated for on-call status may be authorized to take home a City vehicle and necessary service equipment in accordance with Department policies and procedures. The Department Director or designee shall have the authority to implement additional requirements governing these procedures for on-call status, as deemed appropriate.

16. On-call status will not count toward the accrual of sick leave or vacation.

17. On-call status on a holiday will not entitle the employee to additional pay in excess of their regular pay and on-call pay.

How to Prepare an Affidavit

An affidavit is a written statement made under oath that some fact, or a set of facts, is true to the best of the knowledge of the individual making the affidavit who is referred to as the “Affiant.” In preparing an affidavit it is important that you state your full legal name and your age or birth date. An affidavit must be sworn to (or affirmed) by the Affiant and signed in the presence of a notary public. When you sign the Affidavit before a notary public, you should sign using the exact name as stated in the affidavit.

As the Affiant, you must be at least 18 years of age and have personal knowledge of the facts set forth in the affidavit. The statement of the facts should be brief, but may include as few or as many facts as necessary to include all of the relevant information, with each fact or small number of related facts stated in separately numbered paragraphs. The facts should be described clearly and concisely providing names, dates, addresses, and any other supporting information as needed. If a support document is referred to in the affidavit, it should be attached to the affidavit as an exhibit. Each exhibit should be individually numbered (or lettered) in the order it is referred to in the affidavit. For example, if describing a document in the affidavit, state that a copy of the document is attached and marked as “Exhibit A” then write “Exhibit A” on a copy of the document and staple it to the completed affidavit.

Remember, when appearing before the notary public to sign the affidavit, you will be asked to provide proof of your identify (such as a valid driver’s license or passport) in the event you are not personally known by the notary public.
